Enclose this side of page.

You are responsible for posting adequate signs directing customers to your sale in town and along Route 111. The link to the GPS map and the sale listings will be posted to Facebook a few days before. A limited number of copies of the sale listings will be available in some locations.

Questions: What is a Basic Life Skills Program?

School curriculum which offers youth the emotional, social and intellectual tools needed to achieve success in life including basic job skills. The instructor specializes in helping individuals with learning or physical disabilities develop skills for independent living. What skills do students learn? Household, time management, money management, social emotional learning, communication skills, employment, self-care, medical & wellness, problem solving

Why should I pay to register my yard sale?

- All fees are divided between the 4 school districts along IL111 to provide supplies and learning opportunities for the students.
- Have your sale location on the GPS map and the listing of sales.
- Use the Facebook page to post pictures and information.
