 15126 S. Kenton Ave., Oak Forest, Ill.
- | | | |
|-----|--|-------------|
| (1) | Repair & repainting of the 50,000 elevated tank ----- | \$28,205.00 |
| (2) | Unit price, \$250.00 - Min. price \$5,000.00 | |
| (3) | Repainting of the 600,000 gal. storage tank at Godfrey ----- | \$21,420.00 |
| | TOTAL BID ----- | \$54,625.00 |

Scheffel said the Water Board recommended the bid be awarded for the painting of the 600,000 gal. tank in Godfrey to the Clark Painting Co., for the bid of \$16,300.00 and hold the rest of the bid under advisement. If this is not acceptable to the Clark Painting Company for just the one bid for the Godfrey tank alone, go to the second bidder, Brighton Painting Co., for \$19,808.00. Scheffel said this was the engineer's recommendation also. Water Board recommended to the village board that no action be taken on the bids for repair and painting of the Brighton tank because of the high cost of repairing it. They also recommended that the engineer study the bids before proceeding.

Markwardt made motion to accept Water Board recommendation and accept Clark Painting Co. bid of \$16,300.00 for the Godfrey tank only. If this is not acceptable to the Clark Painting Company for just that portion of their bid, go to Brighton Painting Co., for their bid of \$19,808.00. Seconded by Birk. Voice vote, carried unanimously.

Motion to adjourn was made by Carr, seconded by Little. Adjourned 7:50 p.m.

Luriel Bott,
 Village Clerk, Pro-tem.
