Petition for Del and Jeff Swiatkowski to re-zone 64.16 acres along highway 111 and behind Belvedere Subdivision in Brighton (legal description attached) from Agricultural (A-1) to partially (R-1) Residential and partially (B-1) business. Initially plans called for 54 home lots ¾ to 1-¾ acres each and Assisted Living Center and Retirement Apartments.

Mr. Swiatkowski answered questions from visitors and zoning committee. Mr. Oulson stated his concern about the water drainage problem in Belvedere Subdivision. Mr. Swiatkowski assured him that the plat design with retention ponds took this into consideration and would benefit everyone. Belvedere residents had concerns of privacy on the back of their property. Mr. Swiatkowski stated he was confident the landscaping of trees and shrubs that was planned for would satisfy everyone's privacy and sound abatement. None of the visitors objected to the re-zoning.

Certified letters were sent to Mr. George Kruse at 802 South Maple Street, Brighton; Mrs. Laverna Roach at 614 South Maple Street, Brighton; Mr. Charles Pellitier at 17401 Vintage Street, North Ridge, California; Mr. Charles VanDoren at 202 Belvedere Street, Brighton. Steve Davis read the section 4-5 on home occupations of the zoning ordinance and gave her a copy of it. Mrs. Slinkard was told by the Department of Children and Family Services (DCFS) to first ask about the Village of Brighton's Ordinance before she applied for a state license. The Zoning Committee stated she needs to know the square footage of her house and the rooms in which she will be using for the business and the number of exits of each room. She will also need to contact the Village Clerk Sharon Broyles to schedule a notice in the newspaper for a Special Use Permit.
