Committee Reports

Library

The Board of Trustees of the Brighton Memorial Library met September 22, 2005. Board members present were Jeanne Bott, Kathy Bray, Kathleen Franklin, Carolyn Kelly, Donna Scheffel and Sheila Wilkie. Librarians Lillian Bennett, Sally Bland and Virginia Dawdy were also present.

During the month of August 1159 books, 12 audios, 181 videos were checked out and 18 special requests were received.

We had 545 adult visitors and 229 children visit the library in August.

During August we had 12 new library card requests as well as 16 cards renewed. We purchased 39 new adult books and 56 new children's books and had 109 people use the computers.

The summer reading program was a great success again this year. It ran for seven weeks from mid June through the end of July. We had an average of 20 children at each program. The programs were provided by Tammy Norris, Kathy Bray, and the 4H under the direction of Lori Schafer, Donna Scheffel, Carolyn Kelly, and Rosemary Schoeberle. The programs consist of two or three stories read to the children, a craft and a snack. This year we culminated with a program presented by Barbara Kay and her husband who portrayed Clara Barton and a Union Civil War Officer. They did an excellent job of bringing the times alive for the children.

During July we were able to set up an old computer that we were not using to search our library collection. Now if a patron comes in and wants to find books on any nonfiction topic for a report, they can use the computer to find out what we have available, much like we once used a card catalog. This computer can also be used to see what is available by a favorite fictional author as well.

We have just finished purging old books. We have quickly outgrown our new home and have established a building fund that may be used in the future for expansion.

We recently put out a survey to see what hours would be better to serve our patrons. The results of the survey show that most are happy with the current hours.

Our next projects are to have the library sign and the posts on the outside of the library painted to improve the looks of our building and to purchase new shelves to house our nonfiction collection. The shelves we have now do not hold the many oversized books neatly.

Respectfully submitted by, Carolyn Kelly
