Engineer C. F. Abraham stated that he will finish plans and specifications on sewer project this week. He will then submit them to State Dept. of Health and Welfare for their O.K. Possibly he will meet with Board or individual who will go over plans. He stated there will be approximately 38,000 ft. sewer lines, about 4,000 more than originally planned. The engineer explained and discussed plans. Disposal plant will be located near south edge of Betséy Ann Grounds.

President H. G. Bott adjourned the meeting until Thursday, December 7, 1961, at 7:00 P.M. when Mr. McGowin of Bonding Company will be present.
