James J. Hughes Village Clerk

The Brighton Village Board met in a special session on the above date at the Village Hall. The meeting was called to order by the President Eugene Bott with the following answering the roll call.

Harold Dodge, Ramond Schoeberle, Marvin Powell, Emery Kamp
Fred Scheffel

Absent: Ernest Wiener

Dodge moved Powell seconded the motion to accept the bid of Havelka Co. to supply rock & oil for the Village streets. The reason for accepting said bid, which is approximately \$260 higher than the lowest bid, is:

1. The inconvenience caused by the low bidders on oil being in Springfield and the low bidder on rock being in Godfrey. The question of getting the two together at the same time may present a problem.
2. The Havelka Co. would use a Buckeye Mechanical spreader for the rock, making a more uniform sealing surface. The same company spreading both the oil & rock would have much closer coordination on the job.
3. The low bidder on oil, Flatt Co. of Springfield, wants to bring a trailer load of oil, approximately 4000 gals, at a time and we would find it inconvenient to have enough street surface prepared to use that amount at one time.

Roll call vote:

Yeas: Dodge, Schoeberle, Powell, Kamp, Scheffel

Nays: None

Motion carried.

Dodge moved Scheffel seconded motion to accept the bid of Howard Mayberry to supply Pre-mix Bituminous cold patch material M 17-52.

Roll call vote:

Yeas: Dodge, Schoeberle, Powell, Kamp, Scheffel

Nays: None

Motion carried.

Scheffel moved Dodge seconded motion to adjourn. Being no further business to come before the meeting, the meeting adjourned.

James F. Hughes Village Clerk
