### OLD BUSINESS

- A. 103 School St: Scott Watts progress report-He will be replacing the storm damaged fence with a steel fence. He is leveling the main beam slowly so it's not damaged. Lumber has been purchased for the next section of roof repairs. He has sheet metal, but some sheets were stolen since he bought it over 2 years ago. No police report was made. The NW section of roof will be next to be repaired. Mayor Matt asked Mr. Watt's about getting others to help with the work. He said no because of the liability, or they would have to have a contractor's license. Next court date is 1-15-26.
- B. Ongoing Municipal building repairs
  - Chase Equipment Group will begin taking soil samples to submit for the L.U.S.T. funding through the EPA. They were supposed to take samples by the end of 2025. We have not heard anything from them.
  - Pam with Light Brite Distributing has donated 125 light bulbs that can bypass our ballasts at Village Hall. We do not need to change the fixtures. We are getting a quote to get the wiring done for the new bulbs.
